**Global Action Days**

Helping the environment one action at a time

How does it work?

- Plan and implement an environmental action in your school and/or community
- Document the action by taking pictures, making a video or writing an article.
- Register online [www.ecoschools.global/global-action-days/register](http://www.ecoschools.global/global-action-days/register)
- Share your action on the Global Action Days Facebook group!

Be involved!
